

Fifth Heinz Storch memorial golf day

In June Fastbolt UK will host the fifth memorial golf day in honour of Heinz Storch, the company founder who sadly died in 2008.

This annual event has become a popular industry get together resulting, to date, in more than £28,000 being raised for Willen Hospice in Milton Keynes.

The event this year will be held on 15th June and, as in previous years, will take place on the superb Rothschild course at Mentmore Golf and Country club near Leighton Buzzard in Bedfordshire. Invitations have already been issued and early indications are that a record number of golfers will participate.

Graham Joyce Fastbolt MD says: "It never ceases to amaze me how this event has gained momentum. Every year we have

managed to exceed the previous year's total. There are some incredibly generous people in our industry: we already have a large number of donations and hole sponsorships in place and are looking forward to being able to present another sizeable sum to a truly deserving cause. Heinz would have loved it"

If you would like to contribute or take part please contact Graham at Fastbolt on 01908 650105 or e-mail at g.joyce@fastbolt.com
